  Tuesday, October 8, 1:00–5:45 pm

Programming is varied from day to day, and students are welcome to attend all or selected portions of the three-day program. For more information, visit  
ACS MEDICAL STUDENT PROGRAM POSTER SESSION

Medical students attending the American College of Surgeons (ACS) Medical Student Program are invited to attend the Medical Student Program Poster Session on Sunday, October 6, during which 40 students will present their research in one of two areas: basic science research or clinical and educational research. Resident and surgeon volunteers will critique these presentations, and winners will be recognized during Tuesday’s session on October 8.
WHAT IS THE ACS CLINICAL CONGRESS?

The ACS Clinical Congress is a five-day meeting held each fall, featuring hundreds of hours of educational sessions and activities for general and specialty surgeons. The meeting is attended by approximately 8,000 surgeons and 15,000 participants overall. In addition to participating in the Medical Student Program, students are invited to attend Clinical Congress activities such as the Named Lectures, Panel Sessions, Scientific Paper Sessions, Scientific Forum, Video-Based Education Sessions, and Scientific Poster Presentations. In addition to clinical topics in every discipline, session titles of special interest will include:

- Spectacular Cases from Residents
- Surgical Jeopardy
- Cardiothoracic Surgery in the Future: Technology Overview for Residents and Medical Students
- International Surgery Rotations: Creating Learning Opportunities
- Surgical Heroes of the Next 100 Years: Will They Be Different?
Attend the American College of Surgeons Division of Education

**Medical Student Program** October 6–8 | Washington, DC

REGISTRATION DETAILS

To participate in the Medical Student Program, please register by **Friday, September 20** by visiting the ACS Clinical Congress website at [facs.org/clincon2013](http://facs.org/clincon2013).

You must register for both the ACS Clinical Congress and the Medical Student Program concurrently. You can find tips on how to register at [facs.org/clincon2013/special/medicalstudenttips.html](http://facs.org/clincon2013/special/medicalstudenttips.html)

Medical student members of ACS can register in advance at no cost.

Medical student nonmembers can register in advance for a nominal fee, or become members of ACS for a one-time fee of $20. For details, please refer to the online registration form.

Advance registration is encouraged; there is a small additional fee for on-site registration.

**Questions?** Contact Ms. Krashina Hudson at [khudson@facs.org](mailto:khudson@facs.org) or 312-202-5335.

SEE YOU IN WASHINGTON!
